

Center for Civic Engagement Advisory Council Student Representative Application

The Center for Civic Engagement (CCE) offers WSU students, faculty, campus departments, and community partners opportunities to share knowledge, skills, and resources for the benefit of student learning and the wellbeing of our communities. The CCE facilitates student learning and civic leadership development through engagement in community service, service learning, advocacy, political participation, public dialogue, and outreach and education. Established partnerships with local, regional, national, and international organizations provide diverse opportunities for students and faculty to create positive change in the world.
